

SOLUTION: Each series of tones that the listener hears is a sequence from a combination of the telephone keypad numbers 2,5,8,3,6 and 9. These correspond to positions on a braille keypad. Treating them as the keypad as follows:

2	3
5	6
8	9

The keys pressed spell out ZERO YACHT ROAD. The final audio track is a recording of the WAVE ORGAN which is located at that approximate (but non-existent) address on Yacht Road.
