

## Meta-Synonyms\*

This portion of the “über”-puzzle is stationary, which can be quite shocking actually. One might entitle it \_\_\_\_\_. But we would rather not, as it could make the answer quite lethal.

Instead, it is more fun to think of the Oompa Loompas' owner's family Levi's.

However, be careful to avoid the first half of Tonto's friend at counseling.

If you run into Barry Bonds and Willie Mays riding the public transportation in Chicago, be prepared to purchase a burial vault and plenty of raw material to build the iron-work.

If worse comes to worst, one could always climb that tall pole on a sailboat, grab something you might find in a crow's nest, and keep a child's stomach full.

\*you only need to solve one
