Find out where to go next by putting together the fragments to form movie titles. Cross out each fragment as you use it. **A single leftover fragment from each color will form your message.**

early Spike Lee film

---

a Bogart/Hepburn movie (or maybe Latifah?)

---

a Saudi Fishburne?

---

what Charlize Theron got before her Oscar

---

Peter Sellers detective farce

---

he probably suffered from Proteus syndrome

---

movie about racist lions?

---

---

---

---

---

---

---
